**Mr K H Armer raised the following matters:**  
(1) The question of signs in Littlecotes Close to ask motorists to take care has not been satisfactorily concluded.  
(2) Mr David Edwards has read the item in the Spaldwick News suggesting that the Charity Field is no longer being considered for allotments. The Parish Council needs to inform him of the current position so that he can plan his use of the land appropriately.

- (3) The recent mix up in the Spaldwick News May edition regarding the agenda of this meeting and other errors in the past are unacceptable. He suggested that the Clerk should obtain the approval of the Chairman before submitting his input.
